LEGISLATE, REGULATE, LITIGATE? LEGAL PERSPECTIVES ON CANCER PREVENTION AND TREATMENT

KEYNOTE ORATION: 6.00-8.00PM, 10 JUNE 2010
CONFERENCE: 9.00AM-4.30PM, 11 JUNE 2010

SYDNEY LAW SCHOOL (CAMPERDOWN CAMPUS)

ABOUT THE CONFERENCE

Cancer is the leading cause of disease burden in Australia (19.4% in 2003), and few families have not been touched by it. This conference draws attention to the role for law and regulation in a comprehensive response to the prevention and treatment of cancer, both in the Australian community and globally.

The conference will open on Thursday 10 June with a keynote oration, *Preventing Cancer, Promoting Global Health and Development*, delivered by Emeritus Professor Robert Beaglehole, University of Auckland and Co-director, International Public Health Consultants.
